For **FINE SPARKLE** repeat these 6 rows **95** more times (96 times in total) – *eating-up one st per 2 rows* worked over 576sts in total.

Using a flat seam sew the 14sts cast-on to the last 14sts on the cast-on edge.

Sew-in seam ends and cast-on tail neatly, hand-wash and rinse shawl in warm water. Roll shawl in a large towel and press gently to remove water. Spread shawl into round shape on a rug or bed and pull the edge firmly to define shape, if you want a perfect circle pin in place. Leave until completely dry.
